Public Notification

This is to inform that following the Government of India's approval of 79, 00 MT of non-basmati rice for Bhutan, Food Corporation of Bhutan Limited (FCBL) has been identified in Bhutan to import and distribute the non-basmati rice throughout the country. As part of this new arrangement, FCBL is expected to manage the import in collaboration with National Cooperative Exports Limited (NCEL) in India. As we prepare to resume the import non-basmati rice, we request the interested wholesalers and retailers across the country to submit to us your rice requirements through nearest FCBL outlets as per the format shared below.

Note:

Please be informed that as the import will be managed by the NCEL of India, all rice will be packaged uniformly without any branding, or as per their preference and the pricing will be determined only after the completion of an e-tender process among the registered suppliers of NCEL.

FCBL will be responsible for aggregating the country's requirements and organizing the procurement process. Therefore, we request that you provide us with your actual rice requirements in advance to help us ensure adequate distribution to all.

This announcement is subject to any further government directives or changes in the import policy.
